Please select only one (1) of the above options to provide a valid vote.

Please provide comments on the Blackwood roundabout upgrade – Soldiers Memorial Statue. It should be noted that Council can only make an informed decision on the actual feedback received through this consultation process and therefore it is very important to provide feedback if you wish for it to be taken into account when developing the recommended actions of the Review. It cannot be assumed that you are **in or not** in favour of the proposals set out in the Review document if you do not provide feedback.
