

Trail Difficulty Rating System

Your safety is our concern, but your responsibility.

	Green - Easy (Easier)
Suitable for children, families, novices, social groups and others seeking a relatively short distance trail, requiring a basic level of skill and fitness.	
	Blue - Intermediate (More Difficult)
Suitable for individuals and social groups seeking a short to medium distance trail, requiring a moderate level of skill and fitness.	
	Black Diamond - Bikes Only Advanced (Very Difficult)
Suitable for individuals and social groups seeking a very challenging trail, requiring a high level of skill, fitness and endurance. Suspension bikes, body armour and full face helmets recommended on Down Hill trails.	
	Double Black Diamond - Bikes Only Extreme (Extremely Difficult)
Trails suitable for experienced riders who want an experience that is extreme in its nature. Usually constructed with race style in mind. Full suspension bikes, body armour and full face helmets are HIGHLY recommended.	
	Red Circle - Walking Only (No Bikes)
Walkers can expect natural surface trails and obstacles with constructed steps in some areas. These trails have rough surfaces and are suitable for bushwalking and hiking only. A good level of fitness is required and sturdy footwear is highly recommended for these trails. <i>(Walking only trails are built and maintained to Australian Standards of a Class 4 Hike)</i>	
	Double Red Circle - Hike Only (No Bikes)
Walkers can expect natural surface trails and obstacles with constructed steps in some areas. The trail surface and water crossings may change with different seasonal conditions. These trails have rough surfaces and are suitable for bushwalking and hiking only. A good level of fitness is required and sturdy footwear is highly recommended for these trails. <i>(Walking only trails are built and maintained to Australian Standards of a Class 4 Hike)</i>
