

# T2D TORRENS TO DARLINGTON

## Raglan Avenue, Edward Street and South Road network upgrade

### Street corner meeting – 4 May 2024

A new link road will be constructed as part of the Raglan Avenue, Edward Street and South Road network upgrade to help remove the current dog-leg movement of traffic travelling between Edward Street and Raglan Avenue and improve safety for road users.

This project forms part of the \$850m Broader Network Upgrade package of works as part of the River Torrens to Darlington (T2D) Project.
