

Further Information about your application

If applying for building consent for an extension or alterations, was your building built or extended between the years of 1970 and 1997, has a tiled roof and built using nail-plate timber roof trusses?

Yes No

If you answered yes, you are required to submit an Engineers report on the condition of the trusses. Have you provided an Engineers report on the condition of the trusses?

Yes No

Does this proposal affect a regulated/significant tree(s)?

Yes No

BUILDING SAFETY NEAR POWERLINES

Form of Declaration (Schedule 5 clause 2A Development Regulations 2008)

Ibeing the applicant / a person lawfully acting on behalf of the applicant [*delete the inapplicable statement*] for the development described above declare that the proposed development will involve the construction of a building which would, if constructed in accordance with the plans submitted, not be contrary to the regulations prescribed for the purposes of section 86 of the *Electricity Act 1996*. I make this declaration under clause 2A(1) of Schedule 5 of the *Development Regulations 2008*.

Signature:

Date:

NOTE 1

This declaration is only relevant to those development applications seeking authorisation for a form of development that involves the construction of a building (there is a definition of 'building' contained in section 4(1) of the Development Act 2008)

NOTE 2

The requirements of section 86 of the Electricity Act 1996, do not apply in relation to:

- (a) a fence that is less than 2m in height; or
- (b) a service line installed specifically to supply electricity to the building or structure by the operator of the transmission or distribution network from which the electricity is supplied.

NOTE 3

A "Building Safely Near Powerlines" brochure has been prepared by the Technical Regulator to assist applicants and other interested persons. Hard copies of this brochure are available from Councils and the Office of the Technical Regulator. The brochure and other relevant information can also be found at www.technicalregulator.sa.gov.au
